**Activity report**

On December 12-3, I had a meeting with Professor Masahiro Kihara, Dr. Patou Masika Musumari and Dr. Teeranee Techasrivichien from Department of Global Health and Socio-epidemiology, Kyoto University School of Public Health to discuss our on-going research collaboration and also the possibility for our new research studies on e-health in aging people that we would like to develop the concept idea and may apply for a research grant from Ministry of Education, Japan.

Between December 14-15, 2016, I had attended the 2016 Kyoto Global Conference for Rising Public Health Researchers “Universal Health Coverage and Health Economics” organized by Kyoto University School of Public Health at Inamori Hall & Yamauchi Hall, Shirankaikan, Kyoto University.

On December 16, 2016, I participated in the international workshop on “The Japan-ASEAN Collaboration Research Program on Innovative Humansphere in Southeast Asia: In search of Wisdom toward Compatibility Growth and Community in the World”.

On December 19-20, 2016, I had advised 4-5 PhD students from Department of Global Health and Socio-epidemiology Kyoto University School of Public Health on their research and study proposals.
